Our Mission

Transforming Lives, Creating Opportunities, Inspiring Futures

Dear prospective candidate

Thank you for the interest you have shown in Cleeve School!

We are one of the most innovative, forward-thinking and dynamic schools in the region, and are very much becoming the school of choice for families and staff. Our on-going Year 7 intake is now upwards of 300 students, which reflects our school's success, growth and vibrancy.

Over the next few years, our student numbers are set to move towards 1950, which includes up to 400 students in our state-of-the-art Sixth Form Centre of Excellence. Scale brings amazing opportunities, for teaching breadth and also for career development, including with research and pedagogy, within our Teacher Training Centre and with many career pathways within our extensive 'pastoral' and 'Cleeve Character' student development provision. Both have been recognised by Ofsted very recently.

In joining Cleeve, you would be joining a rapidly growing, values-driven school, that places staff training and development at the heart of everything we do. By getting this right, we know the education offer for our students will be exceptional. We are a designated training school, working closely with local Universities.

Student outcomes are moving from strength to strength. Our partnerships with some highly esteemed industry-based partners and the broader educational sector are transformational because they open doors to a rich eco-system of enrichment, opportunity and development, for students and staff.

Our Sixth Form Centre of Excellence cost in excess of £5 million and we have opened a £1 million Teacher Training Centre, which further underlines our vision for growth, opportunity and excellence. We are a large family, but also one with huge warmth and care, where every person matters, and we celebrate our diversity and richness.

We are a mission-driven school and therefore we strive, on a daily basis, to *transform lives, create opportunities* and *inspire futures*, for staff and students, alike.

We are on a wonderful journey. Come and join us!

Transforming Lives, Creating Opportunities, Inspiring Futures

Supervised Study Learning Mentor

Permanent and full time position (up to 37 hours), SCP Points 7-10 £26,402.69—£27,693.72 per annum.

Pro rota salary based on SCP Point 7, 37 hours per week and term time only would be approximately £22,659.23 per annum.

Join our highly successful Sixth Form Team, including an Ofsted Outstanding Sixth Form (January 2025) as a Supervised Study Learning Mentor.

You will oversee our supervised study provision, supporting students to develop effective independent learning habits, maintain high levels of attendance and engagement, and achieve outstanding academic outcomes. This is an excellent opportunity to make a direct impact on student success within a high-performing and supportive environment.

Working closely with students, teachers, and the Sixth Form Leadership Team, you will help foster a culture of aspiration, accountability, and academic excellence. The successful candidate will be a positive role model, committed to supporting students' personal development and ensuring they are fully prepared for progression to higher education, apprenticeships, and future careers.

The school is an equal opportunities employer and committed to safeguarding and promoting the welfare of children and young people, and therefore expects all staff and volunteers, to share this same commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.

The successful candidate will be subject to an enhanced Disclosure and Barring Service check.
