WELCOME TO SIR WILLIAM PERKINS'S SCHOOL

It is our pleasure to introduce you to our wonderful school; a lively and welcoming community where every student is supported to achieve great things, and where curiosity, ambition and generosity thrive. At Sir William Perkins's School, students are at our heart. We expect the best from them, and in return they can expect the best from us. We provide teaching of the highest quality, where each individual is stretched and challenged and given the tailored support and attention required. We are a warm and friendly school: we know our students, their talents, hopes and aspirations, and we work with them to develop confidence, leadership skills and an ability to collaborate with others. With access to a diverse co-curricular programme, students are accomplished all-rounders with university statements studded with personal achievements and successes. Our students leave us in Year 13 with determination and clearly defined ambition, ready to make their mark on the world.

Sir William Perkins's School is a high-performing independent school for approximately 600 students aged 11 – 18 years. In September 2026, boys will be joining the school in years 7 and 12, with a phased move to co-education by 2030. The Head is a member of both HMC and GSA.

The school was founded in 1725 by a wealthy local Chertsey merchant to educate the town's children. The School moved to its present site in 1819 and became fully independent in 1978. It is located on an attractive 12-acre site situated on the outskirts of Chertsey, a two minute walk from the railway station and very near to the junction of the M3 and M25.

OUR VISION

Our vision reflects our shared sense of purpose, aiming to create an environment that supports each person's success whilst recognising the importance of working together to build a strong, purposeful community and a sense of belonging.

OUR MISSION

To champion the individual and build confidence, integrity, and excellence. Our holistic education promotes innovation and creativity both inside and outside the classroom. Our values of curiosity, ambition and generosity enable our students to go beyond academic success, leaving the school as conscientious, world-ready individuals.

OUR VALUES

We seek to nurture in every student the values of curiosity, ambition and generosity. Curiosity about our world and our future. Ambition for ourselves and for others. Generous with our thoughts, our gifts and our time. We seek to build confidence, integrity, and excellence in a caring, innovative, and happy community, so that each pupil leaves having been given the best possible chance of achieving their full potential, taking with them sound values, breadth of skills and knowledge, and ready to take on the world.

ABOUT US

Entrance to the School is by competitive examination and the School values its excellent academic reputation. The students are highly motivated and eager to learn. Significant emphasis is also placed on the broad and balanced curriculum, the wide-ranging co-curricular activities and the caring and supportive environment.

The ISI regulatory compliance inspection in September 2024 notes that "Pupils demonstrate excellent social awareness and they grow up to be poised, confident, and articulate." Our latest Good Schools Guide Report, conducted in March 2025 describes the school as "Big enough to thrive, small enough to care, SWPS is a place where learning and enjoyment go hand-in-hand, meaning that good grades are the happy by-product of a well-rounded education."

The staff are thoroughly professional, highly qualified and knowledgeable, enthusiastic and passionate, support and have an appreciation of the breadth of the educational experience that is provided.

The school is characterised by a warm and welcoming atmosphere and mutually supportive approach. Expectations of staff are high but equally, personal workloads are carefully considered by the Senior Leadership Team. There are plenty of opportunities for further appropriate professional development and a generous inset budget. All staff are equally valued for their part in the overall success of the school and there is a strong sense of fun and humour.

The Governing body is keen to ensure that staff remuneration is competitive and are continually reviewing the package to ensure that SWPS can attract and retain outstanding staff.
